NEUROPSYCHOLOGICAL & PSYCHOLOGICAL TESTING

*Comprehensive Diagnostic Evaluations
for Children, Teens & Adults*

SPS Diagnostics & Treatment provides comprehensive psychological, neuropsychological, and psychoeducational evaluations designed to clarify complex clinical presentations and provide practical recommendations for treatment, school, work, and daily life.

Our goal is to help patients, families, physicians, therapists, and other professionals better understand an individual's strengths, challenges, diagnosis, and support needs.

When appropriate, evaluations include individualized recommendations for:

**Treatment • School • Accommodations • Workplace •
Daily Functioning • Additional Services**

REFERRALS WELCOME

We accept referrals from physicians, pediatricians, psychiatrists, therapists, schools, educational professionals, and families.

SPS accepts Aetna, Anthem, BCBS, BSW, Cigna, Carelon, Humana, Triwest, Optum, Oxford, UMR, UHC and more. We also offer Care Credit and out-of-network benefit coordination.
